"Municipal Officials 1992" contains up-to-date listings of all elected and appointed officials in Manitoba, municipal organizations and their executives and key contact people in my department and across government. As in past years, we are pleased to provide this practical information to people whose interests lie with local government.

Each year new names appear in this directory, an indication of people's willingness to become involved in the future of their communities and so become part of our province's history.

As the recently appointed Minister, I look forward to working with you and your organizations towards our common goal of improving the quality of life for our constituents.

Yours sincerely,

Len Derkach
Minister
